

MISSION STATEMENT

To empower all people to live the better life by teaching them how to develop and use the Divine Presence that is within them.

PRAYER FOR THE CENTER

The New York Center of Truth is the manifestation of the idea in Divine Mind of Love. It is founded in Truth.

We are open, receptive and confident that all who come here come in love, and they leave in a spirit of peace and understanding, truly equipped to live the better life.

We believe that the Presence and Power of God have already provided for the unfoldment of this Divine idea.

The New York Center of Truth prospers as we give generously and receive abundantly knowing that God is the source of all our supply.

The mark of success is upon us and the joy of the Lord is our strength. This we pray in the name, nature and the power that is in the name of Jesus the Christ, our Way Shower. Amen. And so it is.

VISION STATEMENT

The New York Center of Truth seeks to be a place of spiritual illumination and transformation for all people and all facets of its community. We teach the practical application of the principles taught by Jesus the Christ and interpreted in the New Thought Christian Movement, with the purpose of empowering people to live the good life now.
